Covers are Machine Washable and can be wiped often between washings	Quantity	Price	Total
Roller Covers 8" fit all machines (Pec Dec, Bicep-Tricep, Leg Curl & Stretching Station) normally sell for \$75. per dozen, or \$8. each. Until the end of June, you purchase them (dozens only) for only \$50. per dozen. That's a savings of \$25.00, and is the LOWEST price we've ever offered		\$50.00	
Roller cover/Oblique (Oblique needs only 1, fits roller between knees) EACH <i>(Regular Price \$7.00)</i> These are made from a soft, yet very durable "fuzzy" technical fabric (all of our roller covers used to be made from this material)		\$3.00	
Roller Covers for BICEP-TRICEP Rollers SET OF 4 <i>(Regular Price \$8.00 per roller cover)</i> These normally fit all rollers, but one lot of fabric did not have enough stretch, so these are too snug for the Pecdec and Leg Curl... but still fit fine on the smaller Bicep/Tricep rollers.		\$12.00
